IBC's 82-ATM SURCHARGE FREE NETWORK!

Updated March 2013

The Independent Bankers Network is IBC's alliance of community banks that helps solidify your customer base by offering your customers access to 84 surcharge-free ATMs throughout Colorado and in Kansas.

As a member of the Independent Bankers Network, you waive surcharges to the customers of banks belonging to our network, while retaining the option to charge non-member customers who use your ATMs.

Our alliance means that community bank customers will remain with their community-based banks, yet be able to access a broad choice of surcharge-free ATM locations.
